What Our Customers Say:

"For nearly twelve years, we've rented and purchased violins, violas, and cellos for my four children from Strings N' Things. Whether it's replacing a broken string or bridge (even on a concert day!) Jim and Judy have given us great service and a lot of good advice over the years. My daughter now plays in OSU's symphony orchestra and uses two instruments we purchased from Strings N' Things."

—Nancy C.
Anderson Twp.

"Our family has enjoyed a relationship with Strings N' Things for 17 years, beginning with our oldest, who started with a Strings N' Things violin at age 5. Over the years, all our children played either violin or viola. Today, one of our sons is a Concerto Competition winner, and Associate Concert Master of the Cincinnati Symphony Youth Orchestra."

—Frank & Karen H.
